We offer exactly what you need.

You are looking for qualified personnel? At short notice? And, of course, with appropriate experience?

No problem! DEKRA Arbeit is capable and there for you at all times. Just leave the selection to our Personnel Managers in over 90 branch offices in Germany, who always have suitably qualified personnel to choose from. Without costly, time-consuming searches and long-winded selection processes but with a guarantee of optimum personnel solutions?

You are looking for a staffing agency which also offers training and professional development for your existing employees as well as the placement of skilled personnel?

Look no further! DEKRA Arbeit is able to call on its own personnel resources and also perform all necessary qualifying measures. This is carried out in connection with DEKRA Akademie, the advanced training subsidiary within the DEKRA Group.

Why do business with several providers if all you need is offered to you by one?

You are planning an event and want to rely on someone who will take care of everything from logistics and transport to a smooth flow of events at the venue?

Trust us! DEKRA Arbeit not only ensures experienced event personnel, but is also pleased to organise the transport of your exhibition stand, arrange the installation on-site, collect and manage your guests and provide appropriate presentation of your products by suitably trained presentation staff. And to make life easier, you can also book vehicles and lorries through us.

“For the last three years, we have been able to call on DEKRA Event & Logistic Services GmbH’s reliable, professional and flexible services. In the world of events, exhibitions and promotion, in particular, co-operation of this standard is an important basis for mutual success.”
